I visited the Veda and Prayoga Pathasala this morning and found the attendance as follows:-

These students attend the Sahitya and Jyotisha class also for which one Ved: Gopala Krishna Sastry has been appointed. Three students were present in this class this morning.

Why only 3?

2. The order recently issued has created a little trouble among certain of the Pandits. Ved: Venkatachala Avadhani who is now in charge of the Pathasala is said to be not the senior Pandit, but Ved: Subba Bhatta Rigveda Pandit, who has been smarting under the air of superiority assured by the former That so soon after the Patasala has been

restarted there should be such difference among pandits who by the bye are all of the same rank and pay seems to be detrimental to the Progress and well being of the Institution.

3. The last time I went there, a separate attendance register for each class was kept. Now I find that this arrangement has been changed and Ved: Venkatachala Avadhani keeps a register for all the classes in which he marks the attendance. I don't think this new arrangement is either convenient or correct.

4. The immediate requirements of the Pathsala are as follows:-

(1) A general Admission Register in which the names of students with particulars as to their father's or guardian's name, age, place of residence and occupation of guardians &c. are entered.

(2) An attendance register for each class in which the Pandit concerned should mark attendance of the students every day, strike the daily and monthly average &c.

(5) A separate scholarship payment register.

(6) A leave register in which all the leave granted to the Pandits should be entered duly supported by authority.

(7) A marks register in which the marks obtained by students in periodical examinations should be entered.

(8) A time-table should be framed for each class - otherwise the work will become monotonous and uninteresting.

(9) A curriculum should be framed so as to fit the students for Vidwat and Pandit Examinations in due course.

I understand that two students are ready to go up for Vidwat Examination this year.

5. All these entail a great deal of secular labour and it seems necessary that a man of superior status and balance mind preferably one who has had some experience in the management of Educational Institutions should be appointed to guide the Pandits in their work and in a way keep them under proper check. MUZRAI

OFFICE OF THE REVENUE COMMISSIONER
IN MYSORE.

Bangalore, 6th August 1925..

Dear Mr. Anantaraman,

With reference to Mr.T. Ramaiya's demi official letter No.1730/M.F.226-24-7 dated 28th May 1925 regarding the requirements of Veda and Prayoga Patasala, I write to inform you that I visited the Institution on Wednesday the 8th July and made a detailed examination of its working. The total strength of -- the Patasala is now 57 and the average daily attendance comes to about 47. The Patasala is doing satisfactory work and is also gaining popularity.

2. As regards the order said to have been recently issued appointing Pandit Venkatachalavadhani, I wish to inform you - that no such order has yet been issued. He has, however, been instructed to exercise general supervision over the work of -- other Pandits and students.

Though Pandit Subba Bhatta is senior in service and --- Pandit Thippa Bhatta whose reversion to the Patasala has been recently ordered-is getting a higher pay, yet these two Pandits do not seem to possess the requisite qualification for being - the head of the institution. Pandit Subba Bhatta is a -------

a practising Purohit and he cannot possibly spare the time required to look after the secular portion of the Patasala work.

Of all the Pandits in the institution, Ved.Venkatachal-- avadhani seems best fitted for the headship and he should therefore be appointed as adhyaksha.

3. For obvious reasons the system of maintaining a separate attendance register for each class had to be changed. One register for all the classes in charge of the Adhyaksha seems to be quite all right. No inconvenience is felt by this arrangement - All the other registers referred to in the Superintendents note have been opened and posted up-to-date. A time-table has been drawn up and approved by me. The working has been so arranged as to break the monotony and make the lessons interesting as far as possible.

The curriculla of studies prescribed by the Board of Sanskrit studies and examinations have alone been adopted. No graduated course of studies seems to have been fixed for the Primary and Secondary courses. The Principal of the Maharaja's Sanskrit College, Mysore, who is also the Secretary to the Board has been addressed in the matter and on receipt of his reply, the course of studies in the Patasala will be further

4.

24

4. There seems to be no need for the appointment of a ---- Honorary Superintendent or Manager as the Institution is under the direct charge of the Muzrai Commissioner and every thing - is done in strict conformity with his directions. An advisory committee to help the Muzrai Commissioner in the working and - development of the Patasala may be advantageously appointed.

With a view to -- the early formation of the proposed -- committee I have - requested the ---- marginally noted - gentlemen to signify their willingness - to serve on it and shall submit definite proposals on receipt of replies from them.

5. I am also of opinion that payment of some remuneration -- to the clerk of this office attending to the Patasala work is -- necessary on account of the extra work devolving on him-and I think that a sum of Rs.10/- a month will not be much. I request therefore that sanction of Government may kindly be accorded for the payment of this allowance from 1st July 1925, the charge --- being met from the provision made for the pay of the Sama Veda -

Sir,

15

With reference to correspondence ending with your letter No. 282/M.F.226-24-10 dated 4th September 1925, in the matter of shifting the Veda Patasala from the Sankara Matha building, I have the honor to state that in his letter dated the 28th August 1925 Brah: Srikanta Sastry, agent of the Sri Sringeri Matha, intimates that -- "His Holiness the Swamigalu has no objection to the continuance of the Patasala in its present place temporarily for a short time till a suitable building for the purpose is found elsewhere."

2. In view of the above and of the suggestions continued in -- your letter under reply I am also of opinion that some satisfactory and permanent arrangements should be made for locating the Patasala.

3. No Government building for the purpose seems to be available in any central locality. The Sri Sivaganga Matha building in --- Chamarajpet, Bangalore City, which was formerly meant for purposes of a students' hostel is conveniently situated and is also well -- suited for holding the Patasala classes, for accommodating the -- students and for opening the contemplated hostel. This building may be taken up on payment of a reasonable rent as soon as the --- Swamy's permanent stay at Sivaganga is decided and he is removed - there.

4. Till this becomes available, I propose to locate the Patasala

In

in the house already taken up for the convenience of the mofussil students. I have seen the building and it can conveniently ---- accommodate the 6 classes that are now in actual working. The house besides being spacious enough to afford shelter to mofussil students, is situated in the midst of the brahmin locality, offering great convenience to students living by ಪೇಟೆ & ಪಾಠಕರು I have therefore issued necessary instructions for the Patasala -- being shifted to this building after the ensuing Dasara holidays.

5. The building is giving shelter to 20-22 students and if, as suggested, in your letter of the 17th August 1925 it is given up now, it will not only be impossible to secure another building - half as convenient with so small a rent of Rs.30/- a month but it will also result in causing considerable hardship to mofussil --- students who cannot possibly find any other accommodation. The inclemency of Bangalore weather is sure to affect the health of these poor and helpless boys. For these considerations, I have retained possession of the building.

6. Now that the question of shifting the Patasala is settled, I solicit the favour of early orders on the recommendations -- contained in my letters of the 16th July, 6th, 8th and 11th -- August 1925.

I have the honor to be,

Sir,

Your most obedient servant,

The action taken by the Muzrai Commissioner in shifting the Veda Patasala to a rented building in Basavanagudi is approved.
